The mission of the Canoga Park Neighborhood Council is to provide an innovative forum for all community stakeholders to contribute to a healthy, vibrant, and inclusive Canoga Park. All of the Board and Committee meetings are open to the public and provide you with an opportunity to speak. The Board procedures are more formal than committee meetings so your time to address the Board is limited. Committee meetings are generally informal, and discussions between participants are commonplace. This is important because the heart of Neighborhood Council work happens at committee meetings.
