The City’s Neighborhood Council system enables civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of volunteer stakeholders who are devoted to the mission of improving our communities and bringing government closer to us.

The Committee does not take action on behalf of the Neighborhood Council Board. It considers proposals and forwards Committee-approved recommendations as proposed motions to the Board. The Board will consider the Committee's recommendations at a future public Board meeting and may take final action on the recommendations.

**City of Los Angeles Engagement in Schools Resolution**

The \_\_\_\_\_ Neighborhood Council requests that the City of Los Angeles and the Los Angeles Unified School District work together to create a structured plan to prepare for and prevent violence in all schools within the city.

The Los Angeles Police Department and Los Angeles School Police shall develop the plan together to maintain uniformity, accountability and oversight, enabling all parties the opportunity to understand and practice the same plan.

The Los Angeles Police Department would benefit from being involved in the schools’ everyday activities, enabling officers to engage with the students and help them stay clear of gangs, drugs, violence and other criminal activity. It would also improve the perception of law enforcement in Los Angeles.

The presence of police officers on every campus also would improve the learning environment by creating a safe haven for children.

The City of Los Angeles should take this opportunity to engage in all schools, public and private, within the city and demand that all schools be held to higher standard of safety and education. The City of Los Angeles owes this to the children, their families and the future of our city.

**VI. COMMITTEE MEMBER COMMENTS/ANNOUNCEMENTS** (10 minutes)

**VII. REQUESTS/MOTIONS FOR FUTURE AGENDA ITEMS** (5 minutes)

**VIII. ADJOURNMENT**

Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Board’s jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Board/Committee is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board/Committee meeting.
